

**NOTICE OF
ENVIRONMENTAL ASSESSMENT
PASSENGER TERMINAL REPLACEMENT
PUBLIC INFORMATION MEETING & WORKSHOP (#2)**

September 26, 2012

Interested citizens are invited to a meeting concerning the Rochester International Airport's Environmental Assessment for a Passenger Terminal Replacement Project. The public workshop will be held from 5:00 pm to 7:00 pm on Wednesday, September 26, 2012 in the Oak Room at the Wood Lake Meeting Center, 210 Woodlake Dr SE, Rochester, MN, 55904.

Olmsted County and the Minnesota Department of Transportation will co-host this public informational meeting and include discussion about the Rochester Airport and the TH63 Transportation Study.

Provided in a workshop format, representatives from Rochester International Airport and the environmental assessment consulting team will be on hand to discuss the Airport's strategic plan with alternatives for replacing the airport's passenger terminal. During the entire session, the public will have the opportunity to view the alternatives, ask questions, and provide input. For additional information, please contact Mr. Steven W. Leque, Airport Director, or Mr. Kurt Claussen, Deputy Airport Director, at (507) 282-2328.
